SUMMARY

An enthusiastic and fast-learning tech enthusiast at the beginning of my professional journey, with a strong academic interest in computer science and hands-on experience through projects and coursework. Eager to apply my skills in real-world environments, contribute to meaningful work, and grow as a developer and problem solver. Passionate about learning new technologies, collaborating in team settings, and continuously improving through practical experience.

EDUCATION

10th: Open Minds A Birla School, Kankarbagh, Patna (2022)
12th: Holy Convent Senior Secondary School, Delhi (2024)
Undergraduate: Pursuing B.Tech. in Computer Science in IIIT Hyderabad

COMMUNICATION

Developing verbal and written communication skills through academic activities and group projects. Able to share ideas in team settings and open to feedback to improve clarity and collaboration over time.

LEADERSHIP

Demonstrated leadership potential through active participation in college clubs and group projects. Interested in taking initiative, organizing team efforts, and ensuring smooth collaboration. Comfortable stepping up to guide peers, communicate ideas clearly, and foster a positive, goal-oriented environment.

PROJECTS

Completed Project: A Portfolio website.
Current project: Smart Home for Aged People.
